

February 4, 2021

Dear SEACAA Executive Director/CEO,

Thank you for supporting the Southeastern Association of Community Action Agencies. SEACAA recognizes and understands the challenges facing our members, and we are working tirelessly on your behalf.

In the words of Steve Maraboli, *“Every single time you help somebody stand up, you are helping humanity rise.”* Isn't that what it's all about for community action practitioners and professionals - improving the quality of life of our citizens, strengthening our communities and making the world a better place?

During these unprecedented times, our number one priority remains serving as the voice of our members and ensuring that we remain committed to improving the quality of life of citizens and communities.

As your investment renewal date approaches, and funds tighten, we respectfully ask for your continued support by renewing **by February 26th**.

***SEACAA is the professional organization that provides leadership, resources, education and training, and advocacy to ensure progress toward the elimination of poverty and its causes in the eight-state southeastern region.***

**Your continued commitment to SEACAA enables us to:**

- **FOCUS** on serving our membership, which represents the interests, issues and concerns impacting the quality of life in communities across the Southeastern US.
- **LINK** local, state, and national organizations in developing strategies, policies, and actions.
- **BELIEVE** that investing in improving the quality of life of citizens and communities through carefully planned programs and policies is a crucial investment in the nation's well-being.

Please submit your annual dues by February 26th with the attached form to ensure that you have continuous support to enable your capacity-building needs and efforts to “help humanity rise.” The discounted rate is in effect through March 31<sup>st</sup>.

**Your passion** helps us touch more and more lives in our communities.

**Your dedication gives us hope** and hope keeps us moving forward, whether sheltered or 6 feet away.

Thank you.

Most sincerely,

Sharon C. Goodson, SEACAA/NCCAA Executive Director
