About Us

The Agricultural and Labor Program, Inc. serves the total spectrum of socially and economically disadvantaged children, families, and farm-workers, in targeted counties in the State of Florida. Recent events have evoked a plea to the world to end the years of hatred, racism, oppression and let us live the dream of dignity, justice and equity for all. We denounce all forms of violence and any acts that dehumanize anyone, and fully support the elimination of systemic racism in America.

WELCOME

NOW AN ONLINE CONFERENCE AND EXHIBIT HALL EXPERIENCE
DESIGNED TO BUILD A STRONGER NETWORK – ONE THAT IS
“STRONGER TOGETHER.”

We are living in a new world — one where old rules no longer apply and developing ones are not yet applicable while the demand for excellence is crucial to supporting a strong, equitable society. This new landscape requires tremendous skill, resilience, and continuous learning; all with the vision to shape a sustainable future for practitioners and stakeholders in the community action and head start sphere.

Now, more than ever, it's time to rise above the challenging landscape. It's time to convene online and share the stories of how community action leaders like you are responding to the bigger challenges in these unprecedented times. It's time to seize the opportunity to build and sustain excellence.

The 2020 SEACAA Conference is dedicated to providing learning opportunities to empower our members and professionals to intentionally and continuously, develop their capacity-building skills to advance our Mission.

THE PROMISE OF COMMUNITY ACTION

Community Action
changes people's lives,
embodies the spirit of hope,
improves communities,
and makes America
a better place to live.
We care about the entire community,
and we are dedicated
to helping people
help themselves
and each other.

DEAR FRIENDS AND COLLEAGUES,

WE'RE GLAD YOU'RE HERE!

As much as we'll miss seeing you all in November in Biloxi, we are just as excited to present a virtual alternative for our membership.

We want this to be an awesome first conference of its kind for our members, partners, and friends. Your support, your expertise and your collaboration are essential to our success in this new virtual space. It's a chance for you to stand out in a new and different way in the spirit of this year's theme "Stronger Together" and rise above these challenging times.

We provide the expert speakers, exhibitors, resources and tools to not only address even the most impressive challenges, but to overcome them.

The virtual SEACAA conference will still allow you to access sessions, participate in networking opportunities, interact with sponsors and exhibitors and more!

LEAD THE FRONT LINES— TO DELIVER "THE PROMISE" — AND MARCH TOWARDS THE ACHIEVEMENT OF EXCELLENCE IN MOVING POOR FAMILIES IN CRISIS OUT OF POVERTY.
